### **About the National Immigration Forum:**

Founded in 1982, the National Immigration Forum advocates for the value of immigrants and immigration to our nation. In service to this mission, the Forum promotes responsible federal immigration policies, addressing today's economic and national security needs while honoring the ideals of our Founding Fathers, who created America as a land of opportunity.

**BIBLES  
BADGES  
BUSINESS**

For 30 years, the Forum has worked to advance sound federal immigration solutions through its policy expertise, communications outreach and coalition building work, which forges powerful alliances of diverse constituencies across the country to build consensus on the important role of immigrants in America.

**About the Bibles, Badges and Business for Immigration Reform Network:**

In the last two years, a network of conservative faith, law enforcement and business leadership has come together to establish a new consensus on immigrants and America. These unlikely allies have seen the changing face of America in their congregations, businesses and communities. Their response has been to advocate for policy solutions that will help new Americans attain the opportunities, skills and status to reach their fullest potential.

Equal opportunity employer.
