

**NATIONAL
IMMIGRATION
FORUM**

Consultant

**Midwest Regional Mobilizer
Bibles, Badges & Business (Contract)**

The National Immigration Forum (“Forum”) advocates for the value of immigrants and immigration to the nation. Founded in 1982, the Forum plays a leading role in the national debate about immigration, knitting together innovative alliances across diverse faith, labor, immigrant, non-immigrant and business constituencies in communities across the country. Coming together under the Forum’s leadership, these alliances develop and execute legislative and administrative policy positions and advocacy strategies.

For more than four years, an alliance of conservative and moderate faith, law enforcement and business leadership has come together to forge a new consensus on immigrants and America. With our Bibles, Badges and Business for Immigration Reform (BBB) network, we facilitate these relationships, which fundamentally have changed the nation’s immigration debate as they have grown and deepened from the initial development of state compacts to the more recent local work across the country and large-scale advocacy days in Washington, D.C. As a result, the movement for immigration reform is broader, deeper and more powerful than ever. These leaders recognize the biblical call to welcome the stranger, the economic benefits to our communities and the need for a secure nation.

The Forum is retaining a Mobilizer to coordinate specific constituencies. This contracted role focuses on organizing conservative and moderate faith, law enforcement, and business leaders in key states to engage in constructive conversations about and advocate for immigration reform. Specific states to be determined. The Mobilizer’s responsibilities will involve executing state and district-level strategies for grassroots events and lobbying, and communications work specific to those communities as well as executing nationally coordinated activities in the Field.

The initial period for this consulting contract is May 20-December 31, 2019, with option for extension.
