MAKING IMPACT

WE ARE A FORUM

We lead, convene, and guide a meaningful immigration debate, with the purpose of influencing policy.

WE ACTIVATE PEOPLE

Through media and events, we gather thinkers, leaders, policy makers, legislators, and everyday people to take action to advance informed immigration policy.

WE ARE CREATING A 21ST CENTURY IMMIGRATION SYSTEM

We develop and advance innovative immigration policy solutions that serve the needs of the American worker and their family.

FORUM EVENTS

The National Immigration Forum hosts two, high-profile events -- Spring Reception and Leading the Way convening -- each year. These events attract a generous number of attendees from across the political spectrum. Our featured speaker for this year's Spring Reception was President George W. Bush.

LEADING THE WAY

OCT 25-26, 2021

Leading the Way will bring together an exclusive group of moderate and conservative faith, law enforcement, and business leaders to network, advocate, and hear from high profile, influential leaders about the role of immigrants and immigration in America.

We invite you to join them.

More to come!

“Being in the ministry of serving the immigrant community has felt lonely and very challenging in the last 5 years. Seeing people from many different places, nationalities, positions, political and religious beliefs come together, wrestle together, process challenges together, and hope together has made me feel like I’m part of a huge community, that I’m not alone in this, we are not alone in this journey. It was very encouraging!”

– Leading the Way 2020 participant

“I liked everything about it, it was beautifully orchestrated and masterfully produced. The topics were comprehensive and all the talent was first rate (and Ali I liked your jokes!). I took a binder-full of notes and was so surprised that the entire week I was riveted.”
