

**South Central Mobilizer  
Bibles, Badges & Business for Immigration Reform (Contract)**

The National Immigration Forum (“Forum”) advocates for the value of immigrants and immigration to the nation. Founded in 1982, the Forum plays a leading role in the national debate about immigration, knitting together innovative alliances across diverse faith, labor, immigrant, non-immigrant and business constituencies in communities across the country. Coming together under the Forum’s leadership, these alliances develop and execute legislative and administrative policy positions and advocacy strategies.

Leveraging our policy, advocacy and communications expertise, the Forum works for comprehensive immigration reform and sound border security policies, balanced enforcement of immigration laws and ensuring the new Americans have the opportunities, skills and status to reach their full potential.

**Location:** Remote (preference for applicants based in Texas)

**Duration:** The initial period for this consulting contract is October 2024 - June 2025, with option for extension.

**Reports to:** Senior Vice President of Field and Constituencies

**Position Summary:**

Since 2012, an alliance of conservative and moderate faith, law enforcement, national security and business leadership has come together to forge a new consensus on immigrants and America. With our Bibles, Badges and Business for Immigration Reform (BBB) network, we facilitate these relationships, which fundamentally have changed the nation’s immigration debate as they have grown and deepened from the initial development of state compacts to the more recent local work across the country and large-scale advocacy days in Washington, D.C. As a result, the movement for immigration reform is broader, deeper and more powerful than ever. These leaders recognize the biblical call to welcome the stranger, the economic benefits to our communities and the need for a secure nation.

The Forum is retaining a Mobilizer to coordinate specific constituencies in Texas, Oklahoma, and Arkansas. This contracted role focuses on organizing conservative and moderate faith, law enforcement, national security, and business leaders in key states to engage in constructive conversations about and advocate for immigration reform. The Mobilizer’s responsibilities will involve executing state and district-level strategies for grassroots events and lobbying, coordination of grassroots initiatives such as English-language instruction in churches and
